QUICK TIPS TO
**WARM UP
YOUR HOME**

There are many ways you
can warm up your home →

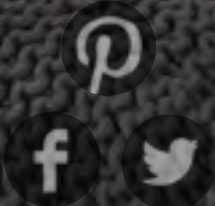

LIVING

Balance cool gray and metal elements with warm colors, soft fabrics and wood tones for a cozy living space.

Design: Melissa Davis;

Find more hardwood floors.

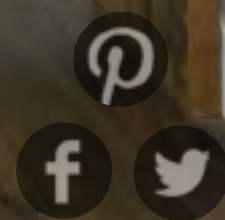

BEDROOM

Casual bedding and warm, welcoming wood make this a perfect place for guests to unwind.

KITCHEN

Gray painted cabinets combine with the warm wood island and floors to create a clean, but still cozy kitchen.
